Prelude *Becky Neff*

***Invocation** “Lord, we know that love is kind, patient, forgiving, generous: and yet because we want our own way we fail to demonstrate our love. The result is that relationships are damaged or shattered. Help us, we pray, to mend our ways, to seek forgiveness, and to do what we can to reconcile with you and with those we have betrayed. Amen!”

FREE CPR CLASS---APRIL 24TH

The American Heart Association will hold a free CPR class at Clarkson College Saturday, April 24th available to anyone.

You will get all the instruction which is all our church members need.

You will not get a course completion card. The course will consist of using an instructional video and practice manikins to teach you how to give CPR to both adults and children. The session will be for 2 hours but **advance registration is required**.

For more information, and to reserve your preferred session, **call (402) 552-2432**. Kate Boulter was instrumental in securing an AED which is located on the wall at the top of the stairs. All we need now is to learn how to use it.

Audrey’s husband, Mark, is still going to provide a class but no firm date has been scheduled.
